

**CITY OF FULLERTON  
MEMBER OF THE CITY COUNCIL**

**SHAWN NELSON**

**AGE: 38**

**OCCUPATION:** Member of the Fullerton City Council/Attorney

As your Mayor Pro Tern I have been a leader for improving the quality of life in our city.

Despite the dire state budget our revenues are up, our police and fire departments have more staff and better equipment and our downtown is flourishing.

A fiscal conservative, I have resisted the pressure to raise taxes and regularly found savings in our budget. I initiated the challenge grant to save the Fox Theater and returned my city funded health benefits to finance increased summer hours at Independence Pool for Fullerton's youth.

I graduated from Sunny Hills High School, earned degrees at USC, Western State University College of Law and studied economics at Harvard University. I have a successful business with over 20 employees.

My wife Sharon, a life-long Fullerton resident, and I have three young children, Kathryn, Shane, and Amanda. I will use my vote on the council for the preservation of their future and yours.

I am proud to be endorsed by Congressman Ed Royce, Assemblywoman Lynn Daucher, Supervisor Chris Norby as well as our Police and Firefighters Associations. They all support my no frills approach to city government.
